

## Getting to the venue

### By car

There are two main motorways in Austria leading to Klagenfurt, namely the A2 (Südbahn) and the A10 (Tauernautobahn).

From the east/Vienna: A2 motorway towards Graz and Klagenfurt (Graz - Klagenfurt approx. 130 km)

From the south: A2 motorway (A23 in Italy) via Udine - Tarvisio or A11 motorway from Slovenia, toward Villach and Klagenfurt.

From Ljubljana: Take the E61 via Jesenice and drive through the "Karawankentunnel". In Austria follow the A11 motorway until you reach the A2 exit „Wien / Klagenfurt / Velden / Wörthersee“.

From the north/Salzburg: A10 motorway to Klagenfurt (Salzburg - Klagenfurt approx. 240 km); extra toll between the "Tauerntunnel" and "Katschbergtunnel" (€ 9.50).

For Klagenfurt University follow the motorway in the direction of "**Klagenfurt West**" and exit at "**Minimundus/Klagenfurt Wörthersee**". Cross the intersection and follow the street ("Wörthersee Süduferstraße") for approximately 200 m, then turn left towards the university (see the street signs). There is a sufficient number of parking lots around the university area.

Note: Motorways are toll roads and vehicles require a so-called "Vignette" which is available at motoring organizations like ÖAMTC, ARBÖ, gas stations (AE)(also at the border in neighboring countries), etc.
